

A POWERFUL CRM.

Connections serves up 3 of your contacts daily, sending their info straight to your phone as a reminder to reach out to everyone in your database through a systematic rotation of calls, emails, texts, social media interactions, personal visits and handwritten notes. Log a history of your communication from your phone or desktop with the click of a button.

GET ORGANIZED!

Print labels or a phone list, sort by rating or endless categories, or use our Who's Nearby mapping tool to plan visits conveniently and quickly.

MAXIMUM EXPOSURE.

Our Graphic Design team oversees a quarterly direct mail campaign with our exclusive Liz Local Magazine, customized for you, to your select contacts, keeping you "top of mind" for their referrals. This happens automatically and at company expense.

REAL ESTATE IS LOCAL... SO ARE WE.

We get rave reviews for our Liz Local VIP program, which delivers exclusive local coupons for you to share with your favorite clients monthly – an easy and thoughtful way to stay in touch.

SEE THE PEOPLE.

Our offices host quarterly client events (tailgates, shredding events, pet portraits, holiday events and our legendary Cupcake Wars), giving you an opportunity to interact with your contacts several times each year without the hassle and expense of hosting your own event.

EASY REMINDERS

Connections sends a reminder to your phone you about each closing anniversary and birthday, giving you the opportunity for a quick thoughtful phone call or note.
